

Hanson - Surely as The Sun

Tom: C

I. Hanson / T. Hanson / Z. Hanson

[Intro:] Am Em Dm E

As surely as the sun rises each day
 So my love will never change
 And though the years may come and go

My love will only grow and grow

Sometimes I wonder what you see in me
 'Cause I'm only a man flawed in so many ways you see
 I want to share every moment of
 The day with you
 And I want to share every sunset and every sunrise
 And every moon lit night

Solo: Am Em Dm E
