

Hanson - Tearing It Down

Tom: G

I. Hanson / T. Hanson / Z. Hanson

[Intro:] Em A G Em

I am taking a chance

Working with my laces loose
 Wrapped up, taking the maze

That everybody's running through
 I'm sick of the black tie, the nickel-and-dime

We're going through the roof

I'm not a wise man

But I see the haze

And this is what I'm gonna do

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

There's a fine line you walk every day

Cause somebody told you to
 A white lie that you can't erase

Now you're gonna have to choose

You know a blind man

Won't show the way

But he can tell you what it's coming to

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down

Tearing it down
