Hanson - Two Tears

Tom: C

    I. Hanson / T. Hanson / Z. Hanson

[Intro:] C G F

```
C            G                  F C
I'm sorry if I made you cry
                   G              F    C
I'm sorry if tears fell from your eyes
           G         F
I'm sorry if I hurt you
                 C              G          F Am
```

For that was not at all what I intended to do

```
                   F          Am              F
But just remember for every tear that falls
             G            F                C G F
From your eyes two tears fall from mine
```
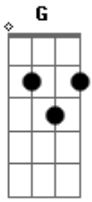

I never wanted to hurt you baby
I never wanted those tears to fall
I never wanted to make you cry
I guess I should have taken a little more time

For every tear that you cry
Two tears fall from mine
