

Hanson - Waiting For This

Tom: F

(intro) F Bb F7 Bb

(F Bb F7 Bb)

Without a doubt
 Girl, you're ahead of your time
 Let's go out on the town
 And give it a piece of your mind

You've been going 'round and 'round in your head
 So don't think twice you live it once, then you (bail?)

(Dm7 C Am7 Bb)

'Cause I know that you've been thinkin 'bout it
 And I know they think you're out of your mind (F Bb F7 Bb)

All of this time, I know that you've been waiting for this

(F Bb F7 Bb)

Shout it out (shout it out!)
 So everybody can hear
 There's no need to write it (no need to write it!)
 The message is clear
 You know I can't ignore
 Said, don't know what you're waiting for
 But you're trying hard not to show it

(Dm7 C Am7 Bb)

And I know that you've been thinkin 'bout it
 And I know they think you're out of your mind (F Bb F7 Bb)

All of this time, I know that you've been waiting for this
 I know that you've been waiting for this

(solo) F Bb F7 Bb

(F Bb F7 Bb)

You figure out how I made it this far

Ab
 If you don't mind me saying

Bb

There's no sense in waiting

(F Bb F7 Bb)

So, shout it out (shout it out!)

Shout it out (shout it out!)

You can't deny it (you can't deny it!)
 'til you try it

(Dm7 C Am7 Bb)

'Cause you know that you've been thinkin 'bout it
 And I know they think you're out of your mind
 All of this time, I know that you've been waiting
 So, you cant deny

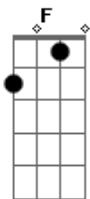

(F Bb F7 Bb)

I know that you've been waiting for this

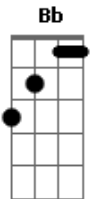

G Bb A D F G F

I know that you've been waiting for this
