

Hanson - Wish That I Was There

Tom: C

[Intro:] C G Am F C G Am F G C

The sun has fallen
 Another day gone without you
 My heart keeps calling
 And I don't know just what to do
 When you're near me
 I seem to forget my lonely days
 It's more than a feeling
 It's something that can't be explained

I wish that I was there

I wish that I was there
 When you're not here
 I wish that I was there
 You were falling
 Now I'm coming 'round again
 I was calling
 'Cause without you it's the end
 I just want to see you a little more
 I just want to dream of you some more
 I just want to see you a little more
 I just want to be with you some more
 And you make me feel
 Won't you take when you're not here
 It's been raining here
 And I just want you to be near
