

# Hanson - World's On Fire

Tom: Bb

(intro) Bb F Eb F

Bb  
Watched from a distance it's beautiful  
Gm  
Somebody's caught in the undertow  
F  
Have you ever felt desperation  
Eb  
Cause the salt water's filling your lungs  
Bb  
We're in regret of where we sleep  
Gm  
Promises never meant to keep  
F  
When all that the shadows need  
Eb  
Is a good man to hide in a dream  
Bb  
Do they know that the world's on fire

Bb  
Time is a price you can't afford  
Gm  
An empty glass and an open door  
F  
You get what you pay for in sweat  
Eb  
And a voice says please don't forget

Bb  
Do they know that the world's on fire  
Do they know that the time is now  
F  
Do they know that you've got to stand up stand up  
Eb  
Use your voice speak out  
Bb F  
Do they know that it's time

Bb  
Caught in a maze you can't escape  
Gm  
The flickering lights and the colored lens  
F  
The walls that we build just close in  
Eb  
Until we decide to begin  
Bb  
Are we distracted by the sun  
Gm

The glittering jewels and the beating drums  
F  
Is it going the distance we fear  
Eb  
Have you heard that we're already here  
Bb  
Do they know that the world's on fire  
Do they know that the time is now  
F  
Do they know that you've got to stand up stand up  
Eb  
Use your voice speak out  
Bb  
Do they know that the world's on fire  
Do they know that the time is here  
F  
Do they know that you've got to stand up stand up  
Eb  
Let your voice be clear  
Bb  
Do they know that it's time

Gm7 Eb7  
Some will say we've gone to far  
Gm7 Eb7  
We're on the edge, we're in too deep  
Gm7 Eb7  
Some will say we're too far gone  
Gm7 Eb7  
You can't erase a tragedy

(solo) Bb F Eb F  
Bb  
Do they know that the world's on fire
