

Harbour - It's Getting Better

Tom: E

So we'll run E

'Cause we're a million miles from empty A B

And I know we'll keep going 'cause we'll never get enough of it E

Steady on E

With no sense of navigation E

And we'll talk about loving it until we get enough of it A B E

But I know we'll keep talking 'cause we'll never get enough of it E

I can't believe that it's over now A E B

But I know it's gettin' better, I know it's Gettin' better A

I can't believe that it's over now A E B

But I know it's gettin' better, I know it's Gettin' better for you A B E

It's gettin' better E

You changed your mind and I never saw it coming love A B E

So take your time 'cause I'll never be the one you want A B E

Digress, I guess you got enough of it A B E

But I'll digest; I'll always take the brunt of it A E

I can't believe that it's over now A E B

But I know it's gettin' better, I know it's Gettin' better A

I can't believe that it's over now A E B

But I know it's Gettin' better, I know it's Gettin' better for you E

It's Gettin' better E

(E)

Eyes like tides E

Spilling salt and pride A B E

Over words concise, no I can't be what you want E

It was standard line E

Still my heart capsized A B E

Felt the butterflies dying in that rush of blood E E

I said cauterize my wounded mind A B E

Burn away the times that you swore I was the one E

I can't lie E

I've stayed blind A B E

Eternity together still would never be enough A

I can't believe that it's over now E B

But I know it's gettin' better, I know it's Gettin' better A

I can't believe that it's over now E B

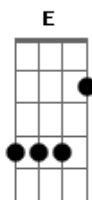

But I know it's gettin' better, I know it's Gettin' better A

I can't believe that it's over now E B

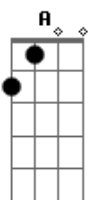

But I know it's gettin' better, I know it's Gettin' better for you A B E

It's gettin' better E
