

## **Harbour - Splendidly**

```

The taste of love left on my lips
I bought you that necklace
On our first date
I remember you said
Hey I like you
I tried so long to find you
Boy I'm growing fine with you
Swear that I'm in love with you hey!
Oooh ooooh ooooh
Woooaaaahh oh ohhh
Oooh ooooh ooooh
Woooaaaahh oh ohhh
I can see
That vision going splendidly
And I can't take it
I'll just let it be
                     Dm
I think this could be good for me
     G
Ooooh ooooh
I think that things have changed for me
Since I ran into you that day
           Dm
You make me feel
A way I never thought that I could
```

## **Acordes**

And I can see you cast a spell on me
Girl you know I'm onto you
Swear that I'm in love with you hey!
Oooh ooooh ooooh
Woooaaaahh oh ohhh
Oooh ooooh ooooh
Woooaaaahh oh ohhh
I can see
                 Dm
That vision going splendidly
And I can't take it
I'll just let it be
I think this could be good for me
Ooooh ooooh
Ooooh ooooh
Ooooh ooooh
   Dm
And we'll be just fine
I can see
                 Dm
That vision going splendidly
And I can't take it
I'll just let it be
                     Dm
I think this could be good for me
Ooooh ooooh ooooh ooooh
