

# Hardwell - Echo (feat. Jonathan Mendelsohn)

tom:  
Capostrate na 1ª casa <sup>Ab (forma dos acordes no tom de G )</sup>

<sup>Em</sup> Dreaming with no sound <sup>Bm</sup>  
<sup>D</sup> Silence screams so loud  
<sup>A</sup> Trying to break through, anyway, to you  
<sup>Em</sup> Tears fall like rain <sup>Bm</sup>  
<sup>D</sup> And I can see your pain

<sup>Em</sup> For your love  
<sup>Bm</sup> I'd take the sun from the sky  
<sup>D</sup> I'd steal the moon from the night  
<sup>A</sup> And I will never let go

<sup>Em</sup> For your love  
<sup>Bm</sup> I will climb any mountain  
<sup>D</sup> Stand at the top shouting out and  
<sup>A</sup> You'll hear my love pouring down

<sup>Em</sup> Like an echo

<sup>Em</sup> The world is frozen now <sup>Bm</sup>  
<sup>D</sup> Leaves all on the ground

<sup>A</sup> And know, it feels the sun will never return  
<sup>Em</sup> But up here in the sky <sup>Bm</sup>  
<sup>D</sup> On this mountain high  
<sup>A</sup> Above the clouds the light still shines  
<sup>Em</sup> For your love  
<sup>Bm</sup> I'd take the sun from the sky  
<sup>D</sup> I'd steal the moon from the night  
<sup>A</sup> And I will never let go

<sup>Em</sup> For your love  
<sup>Bm</sup> I will climb any mountain  
<sup>D</sup> Stand at the top shouting out and  
<sup>A</sup> You'll hear my love pouring down

<sup>Em</sup> Like an echo-o-o  
<sup>Bm</sup> You're my echo-o-o  
<sup>D</sup> I'll might love it with my lo-o-o  
<sup>A</sup> From my echo  
<sup>Em</sup> Like an echo-o-o  
<sup>Bm</sup> You're my echo-o-o  
<sup>D</sup> I'll might love it with my lo-o-o  
<sup>A</sup> From my echo
