## Morten Harket - Listening

Tom: D
Bm C Dbm
See the tension in your face
Feel the nerves when we embrace
Bm
What emotions do you hide?
C Dbm
All those years of silent thought
Betrayed by those whose help
You sought
Exiled, lost and forced inside

A Gbm
If you want me G

D
I will listen to your words
Bm Gbm
The dreams you have deferred
The battles fought
A Gbm
If it helps to
Take me to those dark extremes
Bm Gbm
The meaning of your dreams
The way you've thought
Just talk
A E Gbm A E
I'm listening
Just talk
Bm
C
Dbm

I know your tastes in food and wine $\mathrm{C} \quad \mathrm{Bm}$

But never really what's on your mind
What's going on inside your head?
Bm C Dbm
I hear you say what you can or can't
I'm never sure what it is you want

$$
\mathrm{C} \quad \mathrm{Bm}
$$

There's always something left unsaid
Bm C Dbm
We ride the waves of joy and fear
C Bm
I see you on the brink of tears

$$
\mathrm{C} \quad \mathrm{Bm}
$$

I never know how you'll react
Then the sudden laughter rings C The sun is shining, life begins

Bm
Happiness could be a fact
A E
I will listen to your hopes
Gbm
I will listen to your dreams
Anything you want to be
Believe me
A E
I will listen to you now
Gbm

Then again and all the while
I wanna see you smile again E
Oh, yeah
I'm listening
