

# Morten Harket - Safe With Me

Tom: E  
Intro: Gb A A Db

Like a call of the wild  
You were a part of me  
Like a dark road at night  
I know what I cannot see  
But you had to be  
And I had to be free  
And I had to be, had to be me  
Aaaaaaaah  
You were safe with me  
You were safe with me  
Aaaaaaaah  
You were safe with me  
You were safe with me  
I get oceans of time  
Now I don't look for it  
I get to walk a blurry line  
Into the heart of it  
And it comes to me  
Like a silent scream  
And it looks to be  
How it all begins  
Aaaaaaaah  
You were safe with me  
You were safe with me  
Gb A

Aaaaaaaah  
You were safe with me  
You were safe with me  
Aaaaaaaah  
Would you stay with me?  
You were safe with me  
Aaaaaaaah  
You were safe with me?  
You were safe with me?  
Aaaaaaaah  
You were safe with me?  
You were safe with me?  
Aaaaaaaah  
You were safe with me?  
You were safe with me?  
Into the heart of it  
Make it wrong, make it right  
You were a part of me  
Aaaaaaaah  
You were safe with me?  
You were safe with me?  
Aaaaaaaah  
You were safe with me?  
You were safe with me?  
Like a dark road at night  
Will you stay with me?  
Will you stay with me?  
Like a call of the wild  
You were safe with me?  
You were safe with me?
