 Esmeralda
 Em seus olhos
 As noites e os dias vem e vão
 Esmeralda
 Flor do campo
 Enfeita os mistérios da paixão
 Esmeralda esmeralda
 Seu corpo é quente
 como o sol
 Esmeralda esmeralda
 Luz das estrelas

meu farol
 Esmeralda
 Nos seus olhos
 O amor e a última estação
 Esmeralda
 Flor do campo
 Meu sonho pedindo
 uma canção
 REPETE REFRAO
 SOLO: G D C Am D7
 Ela passou por aqui
 Bela, mudando o mundo de cor
 Nua talvez, mais uma vez
 Em minhas mãos
