

Harpa Cristã - Exultação Do Crente

Tom: C

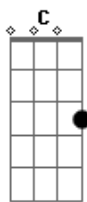

Vinde cantai e entoai louvores a Jesus que para nossa
 Salvação morreu na amarga cruz seu sangue derramou de
 Tudo me lavou mais alvo do que a neve me tornou.

Refrão:

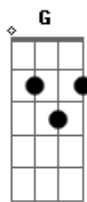

O sangue de Jesus me lavou me lavou!
 O sangue de Jesus me lavou me lavou!
 Alegre cantarei louvores ao meu rei,
 A meu senhor Jesus, que me salvou.

Vinde conosco vos unir na guerra contra o mal e com
 Nosso salvador em marcha triunfal a todos proclamar
 Graça e seu poder seu sangue derramou p'ra nos salvar!
 O capitão da salvação é Cristo salvador o rei dos
 reis o Redentor Jesus nosso senhor ele tudo vencerá vitória
 nos Dará à glória salvos, nos conduzirá.
