Angelina Chorus

We'll I've heard the bawdy tunes. I've been in honkey tonk saloons. I took my liquor by the vat, and we'll I stayed on call for a rousing ball. Home was where I hung my hat.

Chorus

We'll I've courted many a girl. I been in ports all around the world. But my ramblin' days are done. I've been from curaso up totokyo and I've found theres only one.
