

## **Harry Strange - Something To Hold On To**

tom:	Take D Your time
One, two, three, four	We go all night E It?s just you and I Bm
Roll D	Hands D
You know <mark>A</mark> No I don't smoke	In mine <mark>A</mark> For once in my life
E But I stand in the cold	E I?ll stay by your side
Bm Wait D	Bm And your lips ingrained in the
Hold on A	Back of my mind
Don?t say what you thinking  E  And just keep drinking	A Told me not to worry
And just keep drinking  Bm	Yeah there?s nothing I should Fm Kasus about 2
And the lipstick stains on the back Of your hand	Know about? E Nothing I should know about
A Gold ring on your finger	Bm Space is getting smaller
Is there something I should Fm Know about?	Moving close together
E Someone I should know about?	Chain around your neck
<mark>Bm</mark> Space is getting smaller	Yeah there?s nothing I should Fm Know about?
Moving close together	Nothing I should know about
Chain around your neck	D A ?Cause I?m close to letting
Is there something I should Fm Know about? E	You know D A E That you?re all I need and more
Someone I should know about?	A Bm So stay here I don?t wanna wait dear
Cause I?m close to letting E	Fm You can set the pace, just take it slow
You know <mark>D A E</mark> That you?re all I need and more	A And fate would have it that you break Fm
A  Bm  So stay here I don?t wanna wait dear	My habits used to chase and E Just to let go
You can set the pace, just take it slow A Bm	A This could be something to hold on to
And fate would have it that you break <mark>Fm</mark>	Bm Baby if you want to
My habits used to chase and  E  Just to lot go	Just tell me if you?re gonna be
Just to let go	My something to hold on to (on to)
This could be something to hold on to Bm Baby if you want to	A Nothing to hold on to Rm
Fm Just tell me if you?re gonna be	Baby if you want to
E My something to hold on to (on to)	Just tell me if you?re gonna be  E
Rm	My something to hold on to (on to)
