Don't you call him baby
 We're not talking lately
 Don't you call him what you used to call me
 I, I confess I can tell that you are at your best
 I'm selfish, so I'm hating it
 I noticed that there's a piece of you in how I dress
 Take it as a compliment
 Don't you call him baby
 We're not talking lately
 Don't you call him what you used to call me
 I, I just miss
 I just miss your accent and your friends

Did you know I still talk to them?
 Does he take you walking 'round his parents' gallery?
 Don't you call him baby
 We're not talking lately
 Don't you call him what you used to call me
 Don't you call him baby (ooh, ooh)
 We're not talking lately
 Don't you call him what you used to call me
 Coucou! Tu dors?
 Oh, j'suis désolée
 Bah non
 Nan, c'est pas important
 Bon allez, on a été à la plage
 Et maintenant on
 Parfait! Harry
