tom: C

You got, you got the cinema F7M G

It's you G

And I'm not getting over it Em7

Darling, is it cool F7M

If I'm stubborn when it comes to this? F7M

I guess we're in time G

If you're getting yourself wet for me Em7

I guess you're all mine F7M

When you're sleeping in this bed with me

I just think you're cool F7M

I dig your cinema G

Do you think I'm cool too? F7M

Or am I too into you? G

Tell me what you want and you got it, love F7M

I want all of you F7M

Gimme all you got G

That's cinema G

That's cinema, uh-huh

It's you F7M

I don't know why but it feels so right to me G

Something in the way you move Em7

I like it when you dance for me F7M

You all the time (Time, time) F7M

In doses at night (Night, night) G

No roof on the drive Em7

Dust off the high Em7

And go to sleep (Go to sleep, go to sleep) F7M

I just think you're cool F7M

I dig your cinema G

Do you think I'm cool too? F7M

Or am I too into you? F7M

I just think you're cool (Cool, cool) G

I dig your cinema (Cinema) F7M

Do you think I'm cool too? G

Or am I too into you? (Cinema)
