[Primeira Parte]

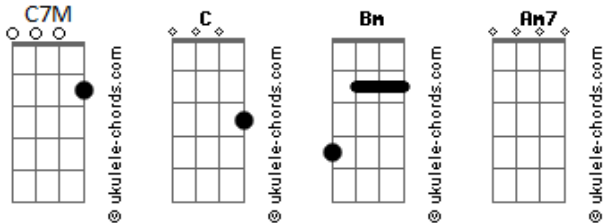

Living in a daydream
 She said, "Love me like you paid me"
 You know, I'll be gone for so long
 So give me all of your love, give me something to dream about

[Segunda Parte]

Stay until the morning
 'Cause baby, loving you's the real thing
 It just feels right
 When you give me all of your love, give me something to dream about

Acordes

(All of your love, give me something to dream about)
 So give me all of your love, give me something to dream about
