

# Harry Styles - Meet Me In The Hallway

tom:

Intro: Em A Em A D

Em A  
Meet me in the hallway

Em A  
Meet me in the hallway

Em A  
I just left the bedroom

(Give me some morphine)

Em A  
Is there any more to do?

Em G D  
Just let me know I'll be at the door, at the door

A  
Hoping you'll come around

Em G D  
Just let me know I'll be on the floor, on the floor

A  
Maybe we'll work it out

Em G D  
I gotta get better, gotta get better

A Em  
I gotta get better, gotta get better

G D  
I gotta get better, gotta get better

A  
And maybe we'll work it out

Em A  
I walked the streets all day

Em A

Running with the fears

Em A  
Cause you left me in the hallway

(Give me some more)

Em A  
Just take the pain away

Em G D  
Just let me know I'll be at the door, at the door

A  
Hoping you'll come around

Em G D  
Just let me know I'll be on the floor, on the floor

A  
Maybe we'll work it out

Em G D  
I gotta get better, gotta get better

A Em  
I gotta get better, gotta get better

G D  
I gotta get better, gotta get better

A  
And maybe we'll work it out

Em A  
We don't talk about it

Em A  
It's something we don't do

Em A  
Cause once you go without it

Em A  
Nothing else will do

## Acordes
