

Hayley Kiyoko - Palace

```
Tom: F
  F
There's a silent peace
       Gm Dm
In the tragedies
Water washes clean
    Bb F
Until they're dry
Turn your shattered dreams
     Gm Dm
Into rhapsodies
This is where I keep you in my mind
           Gm Dm
I need you to be free
So this is where I leave you
Sitting in a palace covered in gold inside my head
This is where I see you
On a bed of roses when I wanna kiss your silhouette
Hoo, hooo, hoo, hooo
This is where I leave you
Every memory adds another piece
Purple, blue, and green
      Bb
Just rest your eyes
Fortunes in the trees
     Gm Dm
Pure as harmony
This is where I keep you in my mind
        Gm Dm
I need you to be free
So this is where I leave you
```

Acordes

```
Sitting in a palace covered in gold inside my head
This is where I see you
On a bed of roses when I wanna kiss your silhouette
This is where I leave you
Sitting in a palace covered in gold inside my head
This is where I see you
On a bed of roses when I wanna kiss your silhouette
Hoo, hooo, hoo, hooo
This is where I leave you
Dance in your color
             Gm Dm
Reflecting in your light
You're my horizon
You'll always paint my sky
So this is where I leave you
Sitting in a palace covered in gold inside my head
This is where I see you
On a bed of roses when I wanna kiss your silhouette
This is where I leave you
Sitting in a palace covered in gold inside my head
This is where I see you
On a bed of roses when I wanna kiss your silhouette
Hoo, hooo, hoo, hooo
This is where I leave you
(F Gm Dm)
