

Hayley Kiyoko - This Side Of Paradise

Tom:

Intro: Abm B E Gb

False start, ya sleepyhead
 I'm caught up in the day with my night dreams
 And my mistakes
 Tell your vision no, your acting
 The little boys go on pretending
 They're wide awake
 I'll settle on the dust, settle on the dust

But I've got better luck in my head
 We're just ghosts inside my bed
 But I've got better luck in my head
 Playing poker with the dead
 This side of paradise
 This side of paradise
 This side of paradise
 This side of paradise
 This side of paradise

I'm not here, nor anywhere
 I wanna be with you, you're unaware
 I'm a paper weight
 I fantasize
 A secret life and place where we hide
 It feels right

I'll settle on the dust, settle on the dust

But I've got better luck in my head
 We're just ghosts inside my bed
 But I've got better luck in my head
 Playing poker with the dead
 This side of paradise
 This side of paradise
 This side of paradise
 This side of paradise
 This side of paradise

I don't want to be anywhere else
 Than anywhere else but here
 I don't want to be anywhere else
 Than anywhere else but here
 I don't want to be anywhere else
 Than anywhere else but here
 I don't want to be anywhere else
 Than anywhere else but here

But I've got better luck in my head
 We're just ghosts inside my bed
 But I've got better luck in my head
 Playing poker with the dead
 This side of paradise
 This side of paradise
 This side of paradise
 This side of paradise
 This side of paradise
