

# Hayley Kiyoko - This Side Of Paradise

Tom:

Intro: Abm B E Gb

False start, ya sleepyhead  
 I'm caught up in the day with my night dreams  
 And my mistakes  
 Tell your vision no, your acting  
 The little boys go on pretending  
 They're wide awake  
 I'll settle on the dust, settle on the dust

But I've got better luck in my head  
 We're just ghosts inside my bed  
 But I've got better luck in my head  
 Playing poker with the dead  
 This side of paradise  
 This side of paradise  
 This side of paradise  
 This side of paradise  
 This side of paradise

I'm not here, nor anywhere  
 I wanna be with you, you're unaware  
 I'm a paper weight  
 I fantasize  
 A secret life and place where we hide  
 It feels right

I'll settle on the dust, settle on the dust

But I've got better luck in my head  
 We're just ghosts inside my bed  
 But I've got better luck in my head  
 Playing poker with the dead  
 This side of paradise  
 This side of paradise  
 This side of paradise  
 This side of paradise  
 This side of paradise

I don't want to be anywhere else  
 Than anywhere else but here  
 I don't want to be anywhere else  
 Than anywhere else but here  
 I don't want to be anywhere else  
 Than anywhere else but here  
 I don't want to be anywhere else  
 Than anywhere else but here

But I've got better luck in my head  
 We're just ghosts inside my bed  
 But I've got better luck in my head  
 Playing poker with the dead  
 This side of paradise  
 This side of paradise  
 This side of paradise  
 This side of paradise  
 This side of paradise
