

# Hayley Kiyoko - Wanna Be Missed

tom:

Intro: Am C F7M  
Dm F7M Am

Wanna be loved tonight  
Wanna know she's only mine  
Breathe her in, give me life  
Got all these hearts in a line  
They all wasting their time  
'Cause only you do me right

[Pré-Refrão]

Baby, you should pick up the phone  
'Cause I'm wondering if you're alone  
'Cause I'm driving down Sunset  
If you're 'round, come get it  
If you want, come get it

[Refrão]

I wanna be missed like every night  
I wanna be kissed like it's the last time  
Say you can't eat, can't sleep, can't breathe without me  
I wanna be held, fragile like glass  
'Cause I've never felt nothing like that  
Say you can't walk, can't talk, go on without me

[Segunda Parte]

Want you tired every day  
'Cause I run through your brain  
Hold me down, keep me safe  
This is as good as it gets  
Don't you dare second guess  
Only want you saying yes

[Pré-Refrão]

Baby, you should pick up the phone  
'Cause I'm wondering if you're alone  
'Cause I'm driving down Sunset

If you're around, come get it  
If you want, come get it

[Refrão]

I wanna be missed like every night  
I wanna be kissed like it's the last time  
Say you can't eat, can't sleep, can't breathe without me  
I wanna be held, fragile like glass  
'Cause I've never felt nothing like that  
Say you can't walk, can't talk, go on without me

[Ponte]

Say, say you can't eat  
Say, say you can't sleep  
Say, say you can't breathe  
You can't breathe without me  
You can't breathe without me

[Refrão]

I wanna be missed like every night  
I wanna be kissed like it's the last time  
Say you can't eat, can't sleep, can't breathe without me  
I wanna be held, fragile like glass  
'Cause I've never felt nothing like that  
Say you can't walk, can't talk, go on without me

I, I wanna be missed so come hold me  
I, I wanna be kissed so come feel me  
Come and make me feel missed  
I wanna be missed babe  
Girl come make me feel missed  
Come and miss me yeah  
I, I wanna be held so come hold me  
I, I wanna be felt so come feel me  
Come and make me feel missed  
Wanna make you feel it  
Girl, I wanna feel missed  
Make me feel missed
