[Primeira Parte]

Dm Am G  
When the air is quiet and the sky is blue  
C C Db  
I can't help be reminded of you  
Dm Am G  
How your eyes are shut, so you cannot see

And in that dark little place, you have made  
C Bb  
You'd swear all these pretty clouds are gray

[Refrão]

Dm C  
I wonder how you're doing  
F Bb C  
How you're doing now

[Segunda Parte]

Dm Am G  
In a million years never thought I'd see  
C C Db  
The day you would choose your fear over me  
Dm Am G  
'Cause many storms have come and if not for you

C Am  
I'd have been struck down, disappeared at sea  
Dm Am G  
I know it's hard for you to take a compliment  
C Bb  
But my life began, the day which you came in it

[Refrão]

Dm C  
I wonder how you view me  
F Bb C  
How you view me now  
( Bb C )

[Terceira Parte]

Dm Am G  
On a night like this, it's just me and the kid  
C Am7  
And there's a chair for you, where you'd always sit  
Dm Am G  
And we would talk for hours about the dumbest shit  
C Bb  
And you would always start my cigarette

[Final]

Dm C F  
I wonder if you ever quit like you wanted  
C F  
I bet you did, I bet you did  
C Bb Am7  
I bet you did, I bet you did

How you're doing
