Little wrinkle by your eye
      Am
I never noticed 'til right now
Little vicious tiger stripes

If you get closer to my thighs

When you're walkin' with a limp
       \mathsf{Am}
I can remember wolves at your heels
When my shadow barges in

You never question why she is here
     C
(Eh-eh, eh-eh, eh-eh)

My friend,
When the blood has dried
Em D C
My friend,

Instant alibi
   Em
