

# Hayley Williams - Over Those Hills

tom:  
 Capostraste na 1ª casa

Over those hills, I bet you're somewhere dreaming  
 I take my pills, every night and in the morning  
 When you wake up, ever wish I was beside you?  
 We could look out together in those hills, forever  
 ( Em D )

Over those hills, I bet you're somewhere dreaming  
 I take my pills, every night and in the morning  
 When you wake up (wake up, wish I was)  
 Ever wish I was beside you? (beside, beside you)  
 We could look out together in those hills forever, hmm  
 D A

So, this is the feeling  
 You can't imagine that it's real  
 Till you feel it, oh  
 Almost went numb  
 Thought I'd had enough  
 But the hurt is half the fun  
 [Solo] Em D

( Em D )

Da, da-ra-ra, da-ra-ra, da-ra-ra-ra, da  
 Da-ra-ra, da-ra, da-ra-ra  
 Da, da-ra-ra, da-ra-ra, da-ra-ra-ra, da  
 We could look out together on those hills, forever
