Hayley Williams - Simmer

```
                              tom:
                 G

             Am               C
Rage is a quiet thing
                          G
You'd think that you've tamed it
                        Dm
But it's just lying in wait
     Am
Oh, rage
               C
Is it in our veins?
                G
Feel it in my face when
                  Dm
When I least expect it

Give in

Am
Control
There's so many ways to give in
C
Eyes closed
Another way to make it to ten
G                                          Dm
Oh, how to draw a line between wrath and mercy?
Gotta simmer, simmer, simmer, simmer, simmer down

Am
Control
There's so many ways to give in
C
Eyes closed
Another way to make it to ten
G                                          Dm
Oh, how to draw a line between wrath and mercy?
Gotta simmer, simmer, simmer, simmer, simmer down

Am                    C
If I had seen my reflection
   C                 G
As something more precious
             Dm     E
He would've never
          Am                        C
Mmm, and if my child needed protection
                  G
From a fucker like that man
             Dm
I'd sooner gut him
        Em

'Cause nothing cuts like a mother

Give in

Am
Control
There's so many ways to give in
C
Eyes closed
Another way to make it to ten
G                                          Dm
Oh, how to draw a line between wrath and mercy?
Gotta simmer, simmer, simmer, simmer, simmer down

Am
Control
There's so many ways to give in
C
Eyes closed
Another way to make it to ten
G                                          Dm
Oh, how to draw a line between wrath and mercy?

       Am                                        Em     D
Gotta simmer, simmer, simmer, simmer, simmer down
Am              Em     F Dm
Wrap yourself in petals
Am              Em     Dm
Wrap yourself in petals
Am              Em     F       Dm
Wrap yourself in petals for armor
Am
Petals for armor

Give in

Am
Control
There's so many ways to give in
C
Eyes closed
Another way to make it to ten
G                                          Dm
Oh, how to draw a line between wrath and mercy?
Gotta simmer, simmer, simmer, simmer, simmer down

Am
Control
There's so many ways to give in
C
Eyes closed
Another way to make it to ten
G                                          Dm
Oh, how to draw a line between wrath and mercy?
Gotta simmer, simmer, simmer, simmer, simmer down
