

# Hayley Williams - Trigger

All I ever had to say about love is a sad song

I get off on telling everybody what went wrong

It makes me feel like the pain had a purpose

Keeps me believing that maybe its worth it

Truth is all I really want is somebody who wants me

Somebody I can count on, who won't disappoint me

At first it seems easy, I vow not to give up

Let 'em debase me, while keeping my chin up

'Cause I got the trigger, but you hold the gun

How come you never put the safety on?

I got the trigger, but you hold the gun

C

How come you never put the safety on? Hmm

( C Am )

So what do people sing about once they finally found it?

Take it for granted think of how they were better without it

I'd like to imagine I'll never be like that

But if I'm honest, I know I already have

'Cause I got the trigger, but you hold the gun

How come you never put the safety on?

I got the trigger, but you hold the gun

How come you never put the safety on? Hmm

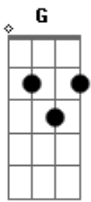

I got the trigger, but you own the gun

How come you never put the safety on?

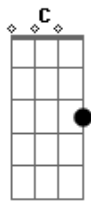

Yeah, I got the trigger, but you hold the gun

How come you never put the safety on? Hmm
