

Hazbin Hotel - Ready For This

tom:

Intro: **B**
 Have you ever wanted something
 That was so clear in your mind
 That you could taste it?
 It's a feeling like
 A rumbling in your gut
 That you could finally be faced with
 A billion needy faces
 I guess what I mean to say is
 For the first time in my life
 I might have to be ready for this
 Ready to be the one who's leading
 From the front
 Gotta come into my own
 Gotta come into my throne
 Gotta take charge and defend my only home
 And although I kinda feel unsteady
 Now I need to be ready for this

[Intro 2]

Have you ever felt like you're willing
 To die To save the people
 Of your city?
 'Cause right now we need a leader
 And it seems to me that destiny
 Has picked me
 To be that, if you'll permit me
 So who's with me!

[Primeira Parte]

Wouldn't it be super to see
 More of Hell?
 Join up now if you like travel
 Come on boys, hop in the saddle!
 Lot of sights to see en route to
 My ho - tel Not to
 Mention the camara - de - rie
 Yes siree, you'll
 Form life-changing friendships
 With the folks along the way

And feast on all the angels you can eat (Okay...)

[Interlúdio 1] **Cm Bb**

[Refrão 1]

It's time now to act
 They're on the attack
 When they move to strike We will
 Fight, biting back
 We'll follow your lead
 We're ea - ger to feed
 We'll shar-pen our teeth for the
 Hea - venly feast
 From this moment on, you can
 Count on us
 To be reso - lute and ra - ve - nous
 Our appetites are whet and we're
 Set to seize the day So I
 Say, oh hey, come join the flesh buffet

[Segunda Parte]

Well, that's a little violent, can we
 Tone it down?

Oh, don't be put off by their snarling
 That's enthusi - asm, darling!

Uh, they just seem a little murde-
