

# Hazbin Hotel - Ready For This

tom:

Intro: **B**  
 Have you ever wanted something  
 That was so clear in your mind  
 That you could taste it?  
 It's a feeling like  
 A rumbling in your gut  
 That you could finally be faced with  
 A billion needy faces  
 I guess what I mean to say is  
 For the first time in my life  
 I might have to be ready for this  
 Ready to be the one who's leading  
 From the front  
 Gotta come into my own  
 Gotta come into my throne  
 Gotta take charge and defend my only home  
 And although I kinda feel unsteady  
 Now I need to be ready for this

[Intro 2]

Have you ever felt like you're willing  
 To die To save the people  
 Of your city?  
 'Cause right now we need a leader  
 And it seems to me that destiny  
 Has picked me  
 To be that, if you'll permit me  
 So who's with me!

[Primeira Parte]

Wouldn't it be super to see  
 More of Hell?  
 Join up now if you like travel  
 Come on boys, hop in the saddle!  
 Lot of sights to see en route to  
 My ho - tel Not to  
 Mention the camara - de - rie

 Form life-changing friendships  
 With the folks along the way

And feast on all the angels you can eat (Okay...)
