Tom: Gb

(com acordes na forma de C)
 Capotraste na 6ª casa
 (capo 6ª casa)

(verse)
 I woke up decided I found my way around this town
 Foolish girl thought I'd be so lost without her
 Adolescence left to wither I didn't have a choice
 it was me or your silly boy
 it was me or your silly boy

(refrão)
 Why oh I
 why do I
 Justify
 What you did wrong to me

(verse)
 You're love drunk you're blinded you've lost the ones who
 loved you most
 this liar's on fire melted like wax a mess it grows
 and you're the one that chose and that's just how Karma goes

(refrão)
 Why oh I

C G Am F
 why do I
 C G
 Justify
 Am F
 What you did wrong to me

(bridge)
 Look at me now
 Look at me now
 take a look at what I've become
 Don't thank yourself I'm finally someone
 Look at me now
 You raised me well I'll give you that
 But In my face you surely spat
 would you look at me now

(refrão)
 Why oh I
 why do I
 Justify
 What you did wrong to me
 I'm alright
 And I'm alive
 And I'm just fine without you
 without you
