

# He Is We - His Name

Tom: E

(com acordes na forma de C )

Capostrate na 4ª casa

Why am i so afraid of the night  
 My silhouette it taunts me  
 My lack of faith in this beautiful life  
 My knowing of it haunts me  
 I'm haunted and know i should be afraid

La-ay awake at night  
 Cry, you know it's not alright  
 To feel like you're falling into nothing  
 You can learn to fly  
 Just call his name, just call his name

Suddenly i wonder why i feel so alone  
 I know there's something out there  
 Thought i'd suck it up and do it all on my own  
 Wish i'd known he does care  
 I'm haunted and i know i should be afraid

La-ay awake at night

Cry, you know it's not alright  
 To feel like you're falling into nothing  
 You can learn to fly  
 Just call his name, just call his name

Where do we go?  
 Call out his name  
 Lift up our hands

Completely ashamed  
 Give it all up  
 Dropping our pride  
 Rip us apart

Change us on the inside  
 We cry out to you  
 Change us now

La-ay awake at night  
 Cry, you know it's not alright  
 To feel like you're falling into nothing  
 You can learn to fly  
 Just call his name, just call his name
