(verso 1)

**Gb**  
He sits in his cell,  
**Ebm**  
And he lays on his bed.  
**Db** **B**  
Covers his head and closes his eyes.  
**Gb**  
He sees a smoking gun,  
**Ebm**  
And the coward he ran.  
**Db**  
And in his arms is the bleeding,  
**B**  
Love of his life.

(refrão)

**B**  
And she cries,  
**Gb** **Ebm**  
Kiss it all better,  
**Db** **B**  
I'm not ready to go.  
**Gb** **Ebm**  
It's not your fault love,  
**Db** **B**  
You didn't know, you didn't know.

(verso 2)

**Gb**  
Her hands are so cold,  
**Ebm**  
And he kisses her face.  
**Db** **B**  
And says "Everything will be all right."  
**Gb**  
He noticed the gun,  
**Ebm**  
And his rage grew inside.  
**Db** **B**  
He said "I'll avenge my lover tonight."

Of the back of a man and tore his world apart.  
**Gb** **Ebm**  
He was only a memory,  
**Ebm** **Gb**  
All it is, is a memory.  
**Gb** **Ebm**
