

He Is We - Light a Way

Tom: G

(intro)

(verse)

The morning's here, and we're still caught up in the night.
The sky was clear, and everything felt right.

Our time is short, but I'm sure I'll see you soon.
We'll take another walk along the bridge, and underneath the moon.

(G D C D)

What a find, If I could I'd hit rewind and replay.
All the moments that I wished, I could've called you mine.

And tonight, I pray.

Light a way, on my love.

Light a way, from above.

Shine it down, lead me home,

Back to him.

A night away, and we've got a few to go.

And I've mastered the art of missing, and my smile...

Lacks a glow, that you showed me how to shine that very night.

We were entwined, Oh God how I wish you were mine.

And tonight, I pray.

Light a way, on my love.

Light a way, from above.

Shine it down, lead me home,

Back to him.

(Bring me back to him)

Now I lay me down to sleep, I pray my heart you choose to keep.

And if I die before I wake, all of me is yours to take.

If I don't see you again, It'd take all I have within.

Maybe I'll just stay awake, I think I'll just stay awake.

Light a way, on my love.

Light a way, from above.

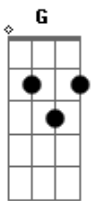

Shine it down, lead me home,

Light a way, on my love.

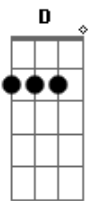

Light a way, from above.

Shine it down, lead me home.
