

He Is We - Light a Way

Tom: G

(intro)

(verse)

The morning's here, and we're still caught up in the night.
The sky was clear, and everything felt right.

G D Our time is short, but I'm sure I'll see you soon.
C D We'll take another walk along the bridge, and underneath the moon.

(G D C D)

G D C What a find, If I could I'd hit rewind and replay.
D All the moments that I wished, I could've called you mine.

G C Em D And tonight, I pray.

G Light a way, on my love.

D Light a way, from above.

Em G Shine it down, lead me home,

D Back to him.

G D A night away, and we've got a few to go.

C D And I've mastered the art of missing, and my smile...

G D Lacks a glow, that you showed me how to shine that very night.

C D G We were entwined, Oh God how I wish you were mine.

C Em D And tonight, I pray.

G Light a way, on my love.

D Light a way, from above.

Em G Shine it down, lead me home,

D Back to him.

(Bring me back to him)

G C Now I lay me down to sleep, I pray my heart you choose to keep.

Em D And if I die before I wake, all of me is yours to take.

G C If I don't see you again, It'd take all I have within.

Em D G Maybe I'll just stay awake, I think I'll just stay awake.

Light a way, on my love.

D Light a way, from above.

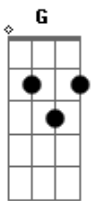

Em G Shine it down, lead me home,

Light a way, on my love.

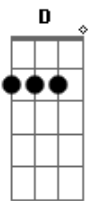

D Light a way, from above.

Em G D G Shine it down, lead me home.
