<sup>G</sup> Can you hear my heart racing?

<sup>A</sup> Falling to my knees cause I've been chasing

<sup>D</sup> A lie, (a lie) <sup>Bm</sup> Love life

<sup>G</sup> I don't know what I was thinking, dipped my toes in, now I'm sinking

<sup>Bm</sup> I guess it hurts a bit <sup>A</sup> but I'm over it now. <sup>G</sup>

<sup>D</sup> Heartaches and mistakes,  
<sup>G</sup> how many hits can a good girl take I'm  
<sup>Bm</sup> tired of hurting, slowly learning <sup>A</sup>

<sup>D</sup> Irate you're too late.

<sup>G</sup> Look at the mess that you've created

<sup>Bm</sup> First date to slight hate

<sup>A</sup> Love life What's that?

<sup>D</sup> Denied

<sup>Bm</sup> Deep inside

<sup>G</sup> I wanna break your heart too

<sup>A</sup> Lead you on enough to drop you.

<sup>Bm</sup> I guess it hurts a bit <sup>A</sup> but I'm over it now. <sup>G</sup>

<sup>D</sup> Heartaches and mistakes,

<sup>G</sup> how many hits can a good girl take I'm

 Like when you said you love me

<sup>G</sup> Winds blowing me away  
 But part of me will always stay

<sup>D</sup> Eyes closed, arms wide  
 Embrace the storm that I feel inside

<sup>A</sup> No more crying, no more crying

 But god I love that sound, sound

<sup>G</sup> Thunder of my inner chaos slowly calming  
 Down, down

<sup>D</sup> I look up in the sky  
 No longer seeing you

<sup>A</sup> Look up in the sky  
 See the sun coming through
