

Heart - Straight On

Tom: D
Intro:

Quite some time, I been sittin' it out
 Didn't take no chances
 I was a pris'ner of doubt
 I knocked down the wailin' wall
 Ain't no sin
 Got the feel of fortune; deal me in
 Comin' straight on for you. You made my mind
 Now I'm stronger. Now I'm comin' through
 Straight on, straight on for you
 Straight on for you
 Now I know I got to play my hand
 What the winner don't know, a gambler understands
 My heart keeps playin' it through
 with you, my friend

I'll take my chances on you again and again...again
 Comin' straight on for you. You made my mind
 Now I'm stronger. Now I'm comin' through
 Straight on, straight on for you
 Straight on for you
 Passagem: Bm C A B Bm C A G Gb E D
 Comin' straight on for you. You made my mind
 Now I'm stronger. Now I'm comin' through
 Straight on, straight on for you
 Straight on, straight on for you
 ... straight on for you. You made my mind
 Now I'm stronger. Now I'm comin' through
 Straight on, straight on for you
 Straight on, straight on for you
 Straight on for you
