

# Heart - Stranded

Tom: Gb  
Intro: Gb B Gb B

Gb  
Standing here helpless  
Where do I go  
If you leave me alone?  
Where do I turn now  
If it don't work out?  
As far as I can see  
This isn't the way  
That you said it would be

Refrão:

Don't leave me like this  
Don't, leave me stranded  
If you walk away now  
you leave me empty-handed  
Don't leave me like this  
Don't, leave me stranded  
Don't leave me now Don't leave me

Gb  
Wasn't it you  
Who brought me here

To the place lovers go?  
Just look at these arms  
Reaching out to you  
Said that you'd always care  
I just turn around  
And there's nobody there

Refrão:

Don't leave me now  
You said that you'd always care  
I just turn around  
And there's nobody there  
Don't leave me like --

Don't leave me like this  
Don't, leave me stranded  
If you walk away now  
you leave me empty-handed  
Don't leave me like this  
Don't, leave me stranded
