

Heart - Stranded

Tom: Gb
Intro: Gb B Gb B

Gb
Standing here helpless
Where do I go
If you leave me alone?
Where do I turn now
If it don't work out?
As far as I can see
This isn't the way
That you said it would be

Refrão:

Don't leave me like this
Don't, leave me stranded
If you walk away now
you leave me empty-handed
Don't leave me like this
Don't, leave me stranded
Don't leave me now Don't leave me
Wasn't it you
Who brought me here

To the place lovers go?
Just look at these arms
Reaching out to you
Said that you'd always care
I just turn around
And there's nobody there

Refrão:

Don't leave me now
You said that you'd always care
I just turn around
And there's nobody there
Don't leave me like --
Don't leave me like this
Don't, leave me stranded
If you walk away now
you leave me empty-handed
Don't leave me like this
Don't, leave me stranded
