

Heart - The Perfect Goodbye

Tom: B

Do you see me, do I see you
 And all the footprints, we left in this room
 A smile in the hall, framed on the wall
 Do we say words that rise and fall, like the circles of blue
 Shoes on the floor, they're intertwined
 Just like the touch, we left behind
 Walk through the door, and say no more
 Say no more easy ali-bis to put out the fire
 It's the perfect goodbye
 No time no tell as from your lips
 The words that never fell it's a simple fairwell
 No fight no flight
 No live no die
 No me no cry cry cry cry
 No me no cry
 Perfect goodbye
 Hang up the phone
 I should have known
 Better alone that killing time

With fake valentines

It's the perfect goodbye
 No time no tell as from your lips
 The words that never fell it's a simple fairwell
 No fight no flight
 No live no die
 No me no cry cry cry cry
 No me no cry
 I'll see you sometime
 Once in awhile
 No partners in crime
 Just a face in the file
