

Heart - The Perfect Goodbye

```
Tom: B
                                                         With fake valentines
           Db
Do you see me, do I see you
                                                         It's the perfect goodbye
            Db
                                                                  Ab7
And all the footprints, we left in this room
                                                         No time no tell as from your lips
           Db
A smile in the hall, framed on the wall Db B Db
                                                         The words that never fell it's a simple fairwell
                                              Dh
                                                                   Ab7
Do we say words that rise and fall, like the circles of blue
                                                         No fight no flight
                                                         No live no die
Shoes on the floor, they're intertwined
                                                              Α
           Db
                                                         No me no cry cry cry cry
                                                         A Gb
No me no cry
Just like the touch, we left behind
          Db B
Walk through the door, and say no more
          Db B Db
                                       Db
                                                         I'll see you sometime
Say no more easy
                 ali-bis
                                to put out the fire
                                                            B Gb
                                                         Once in awhile
It's the perfect goodbye
                                                         No partners in crime
         Ab7
                                                              Gb Gb
No time no tell as from your lips
                                                         Just a face in the file
The words that never fell it's a simple fairwell
                                                         Passagem: Gb B Gb B Gb Db Db B Db B
         Ab7
No fight no flight
       Db
No live no die
                                                         It's the perfect goodbye
     Α
No me no cry cry cry cry
                                                              Ah7
      A Db B
                                                        No time no tell as from your lips
      Db B
                                                         The words that never fell it's a simple fairwell
Perfect goodbye
                                                                  Ab7
                                                        No fight no flight
                                                                 Dh
Hang up the phone
                                                         No live no die
I should have known
                                                         No me no cry cry cry cry
   Db B
                                                           A Db B
Better alone that killing time
                                                         No me no cry
                                                           Db E
             Db
                                                         Perfect goodbye
