

H.E.A.T - Living On The Run

Tom: G

I've been meaning to tell you
 I've been trying to tell you for so long
 Didn't know how to face you
 To caught this off
 Was it consideration
 Or showing signs of a weakness on my part
 Was I hoping you'd finally
 Hear my heart

Am I patient for nothing?
 Why can't you show me a little sympathy?
 Tell me something is coming please

Just a word from you to hold on to
 Before the night is come
 Can't you see we're living on the run?
 Baby close your eyes and realize
 Before it comes undone
 Can't you see we're living on the run?
 Oh oh... living on the run
 Oh oh... living on the run

In bed with a stranger
 That's I feel so not better again.
 No you are not sleeping maiden.
 Don't pretend
 Now it seems like I'm screaming

Crying out but I can not hear a sound
 Like the sand in the hourglass
 I am running out
 Am I patient for nothing?
 Why can't you show me a little sympathy?
 Tell me something is coming please

Just a word from you to hold on to
 Before the night is come
 Can't you see we're living on the run?
 Baby close your eyes and realize
 Before it comes undone
 Can't you see we're living on the run?
 Oh oh... living on the run
 Oh oh... living on the run
 Why are we wasting all time
 Who needs another empty night

Just a word from you to hold on to
 Before the night is come
 (B Db Eb)
 Just a word from you to hold on to
 Before the night is come
 Can't you see we're living on the run?
 Baby close your eyes and realize
 Before it comes undone
 Can't you see we're living on the run?
 Oh oh... living on the run
 Oh oh... living on the run
