

H.E.A.T - The One And Only

tom:

Intro: E B A E

Hey! Something I got to tell you
 It's hard to say but I need you to know
 It's time to write a new kind of story
 I try to explain the reason why I have to go
 ?Cause there's a time for love
 A time for change
 A time to mend
 But I can't pretend ?cause I wanna be the one and only

I guess we all need time
 I guess we all need space
 I guess I'm needing mine
 The one and only one
 I guess we live to find a way to draw the line
 Or the life will leave behind

?Cause I, I wanna be (I wanna be)
 Yeah, I, I'm gonna be the one and only

(E B A)

Hey! A somewhere in the distance
 I know you might find someone, somewhere to go
 And I don't know ?cause my head keeps spinning
 Reaching for a new beginning

Finally it's plain to see
 And there's a time for love
 A time for change
 A time to mend
 But I can't pretend ?cause I wanna be the one and only

I guess we all need time
 I guess we all need space
 I guess I'm needing mine
 The one and only one
 I guess we live to find a way to draw the line
 Or the life will leave behind

?Cause I, I wanna be (I wanna be)
 Yeah, I, I'm gonna be the one and only

I guess we all need time
 I guess we all need space
 I guess I'm needing mine
 The one and only one
 I guess we live to find a way to draw the line
 Or the life will leave behind

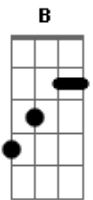

?Cause I, I wanna be (I wanna be)
 Yeah, I, I'm gonna be the one and only

(E B A)
 Tell me yeah!
 The one and only yeah!
 Let me know I just feel the pain, oh
 The one and only one
