

# H.E.A.T - The One And Only

tom:

Intro: E B A E

Hey! Something I got to tell you  
 It's hard to say but I need you to know  
 It's time to write a new kind of story  
 I try to explain the reason why I have to go  
 ?Cause there's a time for love  
 A time for change  
 A time to mend  
 But I can't pretend ?cause I wanna be the one and only

I guess we all need time  
 I guess we all need space  
 I guess I'm needing mine  
 The one and only one  
 I guess we live to find a way to draw the line  
 Or the life will leave behind

?Cause I, I wanna be (I wanna be)  
 Yeah, I, I'm gonna be the one and only

( E B A )

Hey! A somewhere in the distance  
 I know you might find someone, somewhere to go  
 And I don't know ?cause my head keeps spinning  
 Reaching for a new beginning

Finally it's plain to see  
 And there's a time for love  
 A time for change  
 A time to mend  
 But I can't pretend ?cause I wanna be the one and only

I guess we all need time  
 I guess we all need space  
 I guess I'm needing mine  
 The one and only one  
 I guess we live to find a way to draw the line  
 Or the life will leave behind

?Cause I, I wanna be (I wanna be)  
 Yeah, I, I'm gonna be the one and only

I guess we all need time  
 I guess we all need space  
 I guess I'm needing mine  
 The one and only one  
 I guess we live to find a way to draw the line  
 Or the life will leave behind

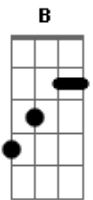

?Cause I, I wanna be (I wanna be)  
 Yeah, I, I'm gonna be the one and only

( E B A )  
 Tell me yeah!  
 The one and only yeah!  
 Let me know I just feel the pain, oh  
 The one and only one
