

# Heathers The Musical - Seventeen

tom:  
**Gbm**  
 Fine, we're damaged  
 Really damaged  
 But that does not make us wise  
**A**  
 We're not special, we're not different  
 We don't choose who lives or dies  
**A**  
 Let's be normal, see bad movies  
**Ab**  
 Sneak a beer and watch tv  
**Db**  
 We'll bake brownies or go bowling  
**E**  
 Don't you want a life with me?  
**D Bm**  
 Can't we be seventeen?  
**Dbm D**  
 That's all I want to do  
**E A**  
 If you could let me in  
**Dbm A Gbm**  
 I could be good with you  
 People hurt us  
 Or they vanish  
 And you're right it really blows **A**  
 But we let go  
 Take a deep breath  
**A**  
 Then go buy some summer clothes  
 We'll go camping  
 Play some poker  
 Then we'll eat some chilli fries **Ab**  
 Maybe prom night  
 Maybe dancing **E**

Don't stop looking in my eyes  
 Your eyes  
**Bm**  
 Can't we be seventeen  
**Dbm D**  
 Is that so hard to do?  
**E A**  
 If you could let me in  
**Ab E**  
 I could be good with you  
**Bm**  
 Let us be seventeen  
**Dbm D**  
 If we've still got the right  
**E A**  
 So what's it gonna be  
 I wanna be with you  
 I wanna be with you  
 I wanna be with you  
 Tonight  
 ( **F D C A** )  
 ( **G F D A Gbm** )  
 Yeah we're damaged  
 Badly damaged  
 But your love's too good to lose **A**  
 Hold me tighter  
 Even closer  
**A**  
 I'll stay if I'm what you choose  
 Can't we be seventeen?  
**Gbm**  
 If I am what you choose  
 If we've still got the right  
**D**  
 'Cause you're the one I choose  
 You're the one I choose  
**Gbm**  
 You're the one I choose
