

# Hedwig And Angry Inch - The Origin Of Love

tom:  
Intro: D

When the earth was still flat  
And the clouds made of fire  
And mountains stretched up to the sky  
Sometimes higher  
Folks roamed the earth like big rolling kegs  
They had two sets of arms, they had two sets of legs  
They had two faces peering out of one giant head  
So they could watch all around them  
As they talked while they read  
And they never knew nothing of love  
It was before the origin of love  
The origin of love

And there were three sexes then, one of them looked like two men glued up back to back  
Called the children of the sun  
And similar in shape and girth were the children of the earth  
They looked like two girls rolled up in one  
And the children of the moon  
Were like a fork stuck on a spoon  
They were part sun part earth  
Part daughter part son  
The origin of love

Now the gods grew quite scared  
Of our strength and defiance  
And Thor said, "I'm gonna kill 'em all with my hammer  
Like I killed the giants."  
And Zeus said, "No, you'd better let me  
Use my lightning like scissors  
Like I cut the legs off the whales, dinosaurs and the lizards  
Then he grabbed up some bolts  
And he let out a laugh  
Said, "I'll split them right down the middle  
Gonna cut 'em right up in half."  
And the storm clouds gathered above  
Into great balls of fire

And then fire shot down from the sky in bolts  
Like shining blades of a knife  
And it ripped right through the flesh  
Of the children of the sun and the moon and the earth  
And some indian god sewed the wound up to a hole  
Pulled it around to our belly to remind us the price we paid  
And Osiris and the gods of the Nile  
Gathered up a big storm  
To blow a hurricane  
To scatter us away  
In a flood of wind and rain  
And a sea of tidal waves  
To wash us all away  
And if we don't behave  
They'll cut us down again  
And we'll be hopping 'round on one foot  
And looking through one eye

-----|-----

Last time I saw you  
We'd just split in two  
You were looking at me  
I was looking at you  
And you had a way so familiar  
I could not recognize  
Cuz you had blood on your face  
I had blood in my eyes  
But I swear by your expression  
That the pain down in your soul  
Was the same as the one down in mine  
That's the pain  
That cuts a straight line down through the heart  
We call it love  
We wrapped our arms 'round each other  
Tried to shove ourselves back together  
We were making love making love  
It was a cold dark evening such a long time ago  
When by the mighty hand of Jove  
It was a sad story how we became lonely two-legged creatures
