

# Heffron Drive - Everything Has Changed

Tom: E

Everything<sup>E</sup> has changed since I met you

My heart<sup>B</sup> was broken<sup>E</sup>

Hope was overdue<sup>A</sup>

Running empty<sup>B</sup>

Running out of time<sup>A</sup>

Thought I lost my mind<sup>E</sup>

But everything has changed since I met you<sup>B</sup>

Nothing is the same since I met you<sup>A</sup>

My heart sometimes is easy to get due<sup>B</sup>

With shadows of the past disturb my night<sup>A</sup>

Make them run and hide<sup>B</sup>

Cause nothing is the same since I met you<sup>A</sup>

Here and now<sup>B</sup>

Just hear me out<sup>A</sup>

Through fear and doubt<sup>B</sup>

I'd never let you down<sup>E</sup>

I'd never let you down<sup>B</sup>

Everything has changed since I kissed you<sup>B</sup>

I never thought the love could be this true<sup>A</sup>

When I thought that feeling couldn't last<sup>B</sup>

You went and kissed me back<sup>A</sup>

Cause everything has changed since I kissed you<sup>E</sup>

Here and now<sup>B</sup>

Just hear me out<sup>E</sup>

Through fear and doubt<sup>B</sup>

I'd never let you down<sup>A</sup>

I'd never let you down<sup>E</sup>

Here and now<sup>B</sup>

Just hear me out<sup>A</sup>

Through fear and doubt<sup>B</sup>

I'd never let you down<sup>E</sup>

I'd never let you down<sup>B</sup>

Everything has changed since I met you<sup>B</sup>

And I hoped that I have changed your whole world too<sup>A</sup>

Here and now<sup>B</sup>

Just hear me out<sup>A</sup>

Through fear and doubt<sup>B</sup>

I'd never let you down<sup>E</sup>

I'd never let you down<sup>B</sup>

Here and now<sup>B</sup>

Just hear me out<sup>A</sup>

Through fear and doubt<sup>B</sup>

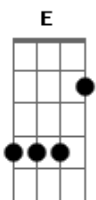

I'd never let you down<sup>E</sup>

I'd never let you down<sup>B</sup>

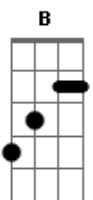

Everything has changed since I met you<sup>B</sup>

And I hoped that I have changed your whole world too<sup>A</sup>
