

Heffron Drive - Everything Has Changed

Tom: E

Everything^E has changed since I met you

My heart was broken^B

Hope was overdue^{A E}

Running empty^B

Running out of time^{A E}

Thought I lost my mind^A

But everything has changed since I met you^{B A}

Nothing is the same since I met you^{B A}

My heart sometimes is easy to get due^{B A}

With shadows of the past disturb my night^A

Make them run and hide^{B A}

Cause nothing is the same since I met you^{B A}

Here and now^{B A}

Just hear me out^E

Through fear and doubt^{B A}

I'd never let you down^E

I'd never let you down^B

Everything has changed since I kissed you^{B A}

I never thought the love could be this true^{B A}

When I thought that feeling couldn't last^A

You went and kissed me back^{B A}

Cause everything has changed since I kissed you^E

Here and now^{B A}

Just hear me out^E

Through fear and doubt^{B A}

I'd never let you down^E

I'd never let you down^B

Here and now^{B A}

Just hear me out^E

Through fear and doubt^{B A}

I'd never let you down^E

I'd never let you down^B

Everything has changed since I met you^{B A E}

And I hoped that I have changed your whole world too^E

Here and now^{B A E}

Just hear me out^E

Through fear and doubt^{B A}

I'd never let you down^E

I'd never let you down^B

Here and now^{B A E}

Just hear me out^E

Through fear and doubt^{B A}

I'd never let you down^E

I'd never let you down^B

Everything has changed since I met you^{B A E}

And I hoped that I have changed your whole world too^E
