

Heffron Drive - Passing Time

Tom: Bb
Intro: Gm Cm7 Bb F

Gm Cm7
You took my heart-shaped hourglass
Bb F
And turned it over, over
Gm Cm7
The further that I'm falling back,
Bb F
You bring me closer, closer

Gm
Cause I lost my way inside the truth,
Cm7
Watching moments slipping through
Bb F
My hands kept getting emptier each day
Gm
You lit the match, shook me awake
Cm7
The fire grew, you fanned the flames
Bb F
It burned until the walls let in the light,

Gm
We're all passing time,
Cm7 Bb
Looking for the rush that makes us feel alive
F
Living through the moments
Gm
Trapped inside a lie
Cm7
I need you here tonight
Bb F
Show me there's more to life
Gm
And we're not passing time

Cm7 Bb F
