C F
It was being hard to sleep at night
C F
With all the problems, I insisted on getting high
C F
Fake lovers, liars brothers and distant thoughts
C F
Dreaming big, shouting to the world about

Em F C
Millions of miles we walked to be free
Em F C
Long island where it wasn't hard to find peace
(C F)

C F
This reality of mistakes that I've done
C F
The city calls, but not the melody I want
C F
That world stage broke in some parts
C F
So why do not, together, restart

Em F C

These are our lives, I need to try and i'll stay
Em F C
Screaming loud about the ocean and the waves

C Em F
I was holding in her face to carry on (trying to hold on)
C Em F
Fighting against my demons to go on (a place that i belong)
C Em F
Walking through rivers and storms (Singing folk songs)
C Em F Fm
Waiting the rising of the sun
(C F)

Finally I found who completes me
With love, love, you will be all you need
And we insist on playing this game again
Cause when I'm with you, it feels I can be who I really am

Em F C
We're falling down on the dark loneliness
Em F C
Take my hand, come with me in other way

C Em F
